

C MORE STREAMING SERVICE SERVICE DESCRIPTION

This service description tells you what your service contains. The service description is part of the agreement you made regarding a content product used in the C More streaming service.

The C More streaming service is a Telia Finland Oyj (“Telia”) and MTV Oy (“MTV”) service targeted at consumer customers living in Finland. It compiles entertainment and sports content into separately ordered content products. Telia is responsible for the subscription process and invoicing of the C More streaming service and MTV for the content of the C More streaming service.

Subscribing

You can subscribe to the content product you want through Telia’s sales channels, online service or Customer care. The subscription and service invoicing are subject to Telia’s general delivery terms for consumer customers, which you can find at <https://www.telia.fi/toimitusehdot-ja-palvelukuvaukset>.

You can subscribe to one or more content products in the offering that emphasises various sports and entertainment contents. The terms of use of the C More service apply to the content Service. The terms of use are available at <http://mtvyritys.fi/cmoredot>.

An agreement on the C More streaming service is entered into when Telia has accepted the order. You will receive a separate order confirmation for each content product you subscribe to.

Set-up and use

To use each C More content product you subscribe to, you need a user ID and a password for the C More streaming service.

After the processing of the order, you will receive a set-up message for the content product you ordered, including a link for creating a new user ID and password or confirming existing credentials. The service can be set up only through this link. If you misplace the set-up message, you can also find the link after logging into the Minun Telia service at <telia.fi/kirjaudu>.

If you forget the password, you can order a new password on the C More streaming service’s login page at <cmoredot>. If you forget your user ID for the C More streaming service you have ordered from Telia, you can get it by logging into the Minun Telia service at <telia.fi/kirjaudu>.

The C More streaming service can be used with a computer at <cmoredot> or with the C More application downloaded to a telephone, tablet or smart TV.

Using the C More streaming service requires a sufficiently fast Internet or data connection. Data fees arising from the use of the C More streaming service will be invoiced according to the agreement and price list of your internet subscription.

To ensure the best user experience, see more detailed instructions, hardware requirements and recommendations for the internet connection, applications and browsers at <cmoredot>.
