Telia Esports Series processes children's personal data to the extent permitted by law, when appropriate in the case in question. Telia Esports Series takes reasonable efforts to ensure and verify that the custodian of a child under the age of 13 has agreed to the processing of personal data when legal ground for processing is consent, taking into account the available technology and the privacy risks related to the processing.

4. HOW DO WE USE YOUR PERSONAL DATA?

We collect, process and use personal data that are needed for conducting our business, efficient customer service and appropriate commercial activities, including the processing of personal data for anonymizing data.

The processing of personal data is most often based on an agreement you have concluded with us or on Telia Esports Series's legitimate interest in connection with Service use and provision. Telia Esports Series is entitled to process personal data for customer relationship management and in order to serve our Customers. This makes it possible, for example, to conduct targeted marketing and advertising. We may also process personal data based on other grounds, such as on the basis of your consent or the law.

In all of the above cases, we process personal data only for a specified purpose and to the extent necessary for it, taking the protection of our customers' privacy always into account.

Customers are provided with a possibility to link Telia Esports Series account with Telia's customership. Linkage can be made and cancelled as further specified in the terms and

conditions. Three Telia Esports Series accounts can be linked per one Telia's customership (e.g. a parent can link their three children's accounts to their Telia's customership).

We may combine data collected in connection with different Services in so far as the data have been collected for the same purpose. If the customer is identifiable, we may combine their customer data with analytics data collected on them in order to be able to better target our Services for the customer's needs.

Telia Esports Series processes personal data for the following purposes:

a. On the basis of a contractual relationship and in order to provide Services:

We process your personal data **for the provision and production of Services which you as a Telia Esports Series's customer are entitled to**. The provision of Services requires that we process personal data for managing a customer or contractual relationship, identifying customers or users, processing and delivering orders, service and product quality control, customer service, and for ensuring information security, fixing various faults and incidents or for processing complaints. We may also process your personal data invoicing, credit control and debt collection when those purposes are applicable to the Services we are providing for you.

We also process personal data in customer communications, e.g. when sending notifications related to Services, and in order to contact customers in issues related to our Services.

We process your personal data internally **for the development, management and quality control of our business, Services and related processes**. Such processing may be necessary, for example, when we analyse delivery processes and complaints related to them in order to improve the efficiency of our delivery process and thereby to find a better and faster way to serve our customers. We also process personal data to better understand our customers' needs and wishes as regards, for example, the features and contents of our Services.

b. On the basis of legitimate interest:

Telia Esports Series may process your personal data on the basis of legitimate interest. Telia Esports Series has legitimate interest to process your personal data in the following situations, for example:

Direct marketing: We process and utilize both anonymized data and personal data for marketing purposes and for building target groups for marketing within the limits of the valid legislation. In addition, we may process your personal data in order to target our marketing at the products and services that each customer finds interesting. Marketing can be targeted also on our social media channels. We may use your personal data within the limits of the law for marketing both our own and our cooperation partners's products and services, such as for direct marketing and market research, and for customer satisfaction surveys.

Personalization of services: We may process personal data or anonymized data for personalizing and targeting Services for instance by giving recommendations and by showing targeted contents in our Services or customer channels. We also process personal data and anonymized data in order to get a comprehensive picture about the customer's use of our Services and likings related to our Services. We use such profiled data in order to enable our customers to get a better experience of the use of our Services.

Statistical purposes: We may also process your personal data in order to create statistical analyses, which enable us to develop our customer offering or improve our services or products.

c. To comply with legal obligations:

We may process your personal data in order to meet our legal obligations, such as for accounting and authority purposes.

d. For other purposes to which you have given your consent

We may process your personal data for all purposes to which you have given your consent. You can, for example, give your consent to the processing of your location data in order for us to target such benefits at you that are topical or relevant to you.

When requesting your consent, we inform you thoroughly of the meaning of the consent to personal data processing and how you can cancel your consent.

5. HOW DO WE PROTECT AND SAFEGUARD YOUR PERSONAL DATA?

Information security and protection of customer data is of utmost importance to us. It is important for Telia Esports Series to ensure the availability, integrity and security of personal data. We strive to take appropriate actions in order to protect personal data and to prevent and detect unauthorized access to personal data and loss of personal data.

We take continuous efforts to safeguard our customers' rights. We take care of the security of our personnel, data, information systems and public communications networks as well as our offices and technical facilities. We pay special attention to protecting the data we process, such as your personal data.

In data protection, we take into account the risks posed to privacy protection and business operations by the processing of personal data, the available technical options, and different kinds of threats in accordance with the applicable legislation, regulations and obligations under agreements.

6. TO WHOM DO WE DISCLOSE YOUR PERSONAL DATA?

We may disclose your personal data to the extent permitted and required by law. We may also process anonymized or statistical data that cannot be associated with you as a person. Such information can also be disclosed to third parties for other purposes than those described in the Privacy Notice.

We may disclose your personal data to the parties below.

- a. **The Telia Group companies** to the extent permitted by applicable legislation. Our Group companies (e.g. Assembly Organizing) may use your personal data for the purposes defined in this Notice, including for marketing their products or services to you.
- b. **Telia Esports Series's subcontractors** that process personal data on our behalf based on our assignment. These third parties are not allowed to use the personal data for any other purpose than for providing the service agreed with us. When using subcontractors, we will ensure in an appropriate manner that the processing takes place in accordance with the Privacy Notice. The processors referred to herein include, for example, IT service **providers and ticket sales partners**.

Our partners processing personal data on our behalf may be located outside Finland, the European Union or the European Economic Area. When transferring personal data outside the EU or EEA, we ensure by means of agreements (e.g. by the use of the EU Commission's standard contractual clauses) or otherwise that the transfers are implemented as required by law. In addition, we ensure, and also expect our processors to ensure, as required by legislation, that your personal data remain protected regardless of whether they are transferred outside the EU or EEA.

- c. **Other third parties with your consent**, which we may have received in connection with a particular service, for example.
- d. **In relation to legal proceedings or at the request of an authority** on the basis of applicable law or court order or in connection with a trial or authority process.

We may also disclose your data to a competent authority to the extent required by law in accordance with a predefined procedure.

- e. **As required or permitted by law**.
- f. **In connection with mergers and acquisitions** and various business transaction and transfers.

7. HOW LONG DO WE STORE YOUR PERSONAL DATA?

We store your personal data only as long as necessary to implement the purposes defined in the Privacy Notice, unless otherwise required by legislation. No corresponding restrictions apply to the storing of anonymized data.

We do not store outdated or unnecessary information. We aim to make sure that your personal data and other customer data are up-to-date and correct.

Your data processed on the basis of a contractual relationship are stored, as a rule, for the duration of the contractual relationship or as long as the provision of the Services requires. After the expiry of the contractual relationship or the end of the Service provision, your personal data will be stored as long as they are needed, for example, for unfinished business, invoicing or complaints.

Personal data is stored for one year after the end of the customer relationship in Telia Esports Series.

Data processed on the basis of legitimate interest are processed for as long as there are grounds for their processing. If the customer is entitled to object to the processing, the data are erased when the customer's request related to the objection has been processed and approved. An example of this kind of processing falling within the scope of legitimate interest is direct marketing.

Data processed on the basis of legal obligations are processed and stored as long as required by law. Obligations related to the storage of personal data are set, for example, by the accounting and money laundering legislation.

The storage time of **data processed with your consent** is determined according to purpose of the processing.

8. WHAT RIGHTS AND OPTIONS DO YOU HAVE?

Your rights and options depend on the purposes of the processing of personal data and on the situation.

- ✓ **The right to access:** You have the right to receive a confirmation of whether your personal data are processed, and if they are, to gain access to the data. If less than six months have passed since your previous inspection request, Telia Esports Series may charge you for the inspection request according to the price-list.
- ✓ **The right to give and withdraw your consent:** If the processing of your personal data is based on your consent, you have the right to withdraw your consent at any time.

- ✓ **The right to rectify data:** You are entitled to have your personal data rectified or, in certain cases, to have defective personal data supplemented.
- ✓ **The right to object to the processing of personal data:** You are entitled to object to the processing of your personal data based on Telia Esports Series's legitimate interests, including profiling. Telia Esports Series may reject the request, if the processing is necessary in order to implement Telia Esports Series's mandatory and legitimate interests. You are always entitled to oppose to the processing of your personal data for direct marketing purposes and for profiling related to direct marketing.
- ✓ **The right to data portability:** You have the right to receive your personal data you have submitted to us for processing based on your consent or the implementation of an agreement. You are entitled to receive the data in a structured, commonly used and machine-readable format, and the right to transmit the data to another controller.
- ✓ **The right to be forgotten:** You are entitled to ask Telia Esports Series to erase data related to you, for example, if (i) you consider them unnecessary for the purposes described above, (ii) you cancel the consent you have given, (iii) you consider Telia Esports Series to process your personal data unlawfully, or (iv) you object to the use of your personal data for direct marketing purposes.
- ✓ **The right to restriction of processing:** You have the right under certain circumstances to require the controller to restrict the processing of your personal data.

9. HOW WILL YOU KNOW IF THE PRIVACY NOTICE HAS BEEN AMENDED?

We will update the Privacy Notice, if necessary, as our operations and Services develop. We advise you to check for the latest version regularly on our website.
