Prices, value-added tax, terms of payment and overdue interest

The prices do not include value-added tax. The tax is invoiced according to the effective tax rate and added to the prices. The prices indicated in the service-specific price lists are valid until further notice. Telia Finland Oyj reserves the right to change its price lists. The term of payment is fourteen (14) days from the date of invoice. The interest for late payment is the so-called lawful interest for late payment specified in section 4(1) of the Interest Act, as applicable at any given time.
